

## PRODUCT DESCRIPTION

The Vega ergonomic stool provides thoracic support and can easily convert into a chair when needed. It reduces muscular effort in the lumbar area and promotes upper limb mobility. Suitable for many commercial and office applications.

“ The chair allows for two seated positions: straight back resting against the backrest or seated with the thorax supported. Both positions provide superior comfort by reducing muscle fatigue as well as promoting worker well-being and efficiency. ”

## ENVIRONMENTS & BENEFITS

- ✓ Aerospace
- ✓ Industrial/mining
- ✓ Transport
- ✓ Pharmaceutical industry
- ✓ Food industry
- ✓ Adjustable seat height and depth to accommodate users of all sizes
- ✓ Adjustable backrest height for optimal back support
- ✓ Reduces the demand placed on lower limbs, back and shoulders

## WARRANTY POLICY

**LIMITED LIFETIME GUARANTEE – ERGONOMIC PRODUCTS:** Synetik design guarantees all their products against manufacturing defaults for a full ten (10) years following the date of purchase. The frames of the stools, the pneumatic cylinder and all fixed features of the stool are guaranteed for life. Any moving mechanical parts are covered for ten (10) years. This guarantee does not apply to products needing replacement due to normal wear and tear, due to negligence, obvious abuse, or any damage caused in transport or any use of the product not in conformity with the included instructions and hazard warnings. Synetik design offers no other guarantee against wear other than the applications indicated within this document. Synetik design will not be held responsible at any time for any damages received, interests accrued, direct or indirect losses, incidental or consequential losses, repeated losses or damages. This guarantee applies only to regular use, meaning a standard eight (8) hour work day, and for use by an individual with a maximum weight of 350lbs.
